## ABOUT THE OWNER

### LEV ABRAMOVICH

In 1990 I started my own IT service company (Unique Network Systems). We quickly gained a reputation for providing high-quality IT services to small and medium-sized businesses. Our best marketing strategy for getting clients at the time was through referrals. I soon realized that my clients were struggling to get their business online because they had little or no knowledge of the internet. I had a burning desire to help my clients establish an online presence, so in June of 2000 I started WQC Design Studio, to help them bring their local businesses online and show up on search engines. Over the next 23 years, we helped hundreds of small businesses establish an online
